Parishioners comments – Jeremy Goldney reported that, under the current circumstances, the traffic survey is on hold for the time being. A Parishioner noted that, with two accidents in the north of the village recently, there are surely now grounds to extend the 30mph further north. The Parishioner also reported that one of the heras fence panels at the Broadland Housing development blew down in the recent high winds. Despite reporting on Friday, this was not rectified until Sunday afternoon / Monday. A Parishioner expressed concern that the developers appear to have built onto land not included in the planning application. The Clerk will investigate. The Clerk has emailed NNDC to establish ownership and maintenance on land bordering the development.

20/37. Chairman's welcome and apologies for absence – MC welcomed everyone. Apologies were accepted for Harrie Morshuis, Andrew Brown and Steffan Aquarone.

20/40. Matters arising not covered elsewhere on the agenda – The Clerk has contacted NNDC regarding S106 money from the Broadland Housing development, and is waiting for a response. A Councillor reported that she has rats in her roof, and the pest controller who attended thinks they are coming across from the pond. A Parishioner noted that other people in the village get them occasionally too. It was agreed that the Clerk will put up a notice to see if others are experiencing problems.
